

Murfreesboro City Schools

Parental/Player Contract/Consent Form for Competitive Basketball 2008 Season

Player Contract

Your selection as a Murfreesboro City Schools Program Player brings with it a number of responsibilities for both parents and players. You and your family should think over these responsibilities very carefully before you sign and return the Player Information form.

We require that you treat the honor of representing Murfreesboro City Schools at the Program level with the respect it deserves. Please remember at all times, as a representative of our program, you have now become a role model for other players to aspire.

As a Select Player:

- I agree to attend scheduled practice sessions, games, and other activities. Persistent non-attendance will result in dismissal from the program. A player's first responsibility is to his/her select team during the scheduled league season.
- I agree to show a willingness to accept instruction in a positive manner with an attitude conducive to continued development of technical and tactical skills.
- I agree to conduct myself in a manner that is in keeping with representing the Murfreesboro City Schools at all times and never to discredit the league or its program.
- I agree to act in a manner consistent with the meaning of sportsmanship and fair play towards teammates, coaches, referees, parents, spectators and all others with which I have contact.
- I agree that when participating in any Murfreesboro City Schools event I will abide by the rules of the league and any guidelines set down by the Coaches.
- I am aware that irresponsible or disruptive behavior is cause for immediate dismissal from the program.
- I understand that the sports program is a secondary to my academic success and I agree to maintain a C average in order to participate in this program.

Player's Contract

I have read the player's contract and fully understand all aspects. I have taken time to consider my participation in the program and I agree to abide by all the regulations and guidelines set out in the player contract. I understand that failure to do so may result in my dismissal from the program.
