The Board shall, whenever practicable, delegate to the Director of Schools the function of specifying required actions and designing the detailed arrangements under which the schools will be operated. These detailed arrangements shall constitute the administrative regulations governing the schools. They shall be defined in written form and organized by subject or date with adequate indexing for easy use. Makeup and distribution will facilitate easy filing and proper use and copies will be distributed to the members of the Board upon request. The administrative regulations must in every respect be consistent with the policies of the Board. The *Murfreesboro City Schools Handbook* and the *Administrative Directives Notebook*, revised annually, may serve as the instruments incorporating said rules and regulations.

The Board itself shall strive to formulate and adopt administrative regulations only when specific state laws require Board adoption.
