	<b>PUBLIC GIFTS TO THE SCHOOLS</b>  (Individual/Group Gifts)	BO 28	4/79
	Revision Adopted:		

Gifts made to the schools become the property of the Board of Education. The use of these gifts shall be regulated by the individual school under the direction of the Board.

1. Cooperative planning of teachers, administrators, and parent representatives shall be the accepted method in determining what gifts shall be made.
2. The fact that an individual/group has given a certain gift to one school does not preclude the purchase of such equipment, supplies, or services for other schools by the Board.
