	Descriptor Term:	Descriptor Number:	Date Adopted:
	ADDITIONS, CHANGES, ALTERATIONS, ON BUILDINGS AND/OR GROUNDS	FM 13	4/79
	Revision Adopted:		
	3/01		

Any additions, changes, or alterations made on a school campus, building, or other property of the Murfreesboro City Board of Education will have the approval of the Director of Schools and/or the Board of Education. The Director of Schools shall be informed of and become part of any planning which may result in an addition, change, or alteration. Such additions, changes, or alterations shall include but not be limited to landscaping, playground equipment, signs, parking areas, drives, temporary or permanent shelters, recreation needs, painting, partitions, shelving, appliances, furniture, construction in classrooms, etc.

Gifts made to the system or a school shall conform to the Board's policy regarding gifts (BO 34). The Director of Schools shall determine when additions, changes or alterations should be brought before the Board. Any significant addition, change, or alteration which requires money not already budgeted shall be brought to the Board.

No additions, changes, or alterations to buildings or grounds, including signage, are to be made without confirming that all required permits have been obtained from the City of Murfreesboro. Nor shall such changes be made without appropriate review to ensure their compliance with the Americans with Disabilities Act.
