

	<b>MURFREESBORO CITY SCHOOL BOARD POLICY</b>		
	Descriptor Term:	Descriptor Number:	Date Adopted:
	ASSIGNMENT OF STUDENTS TO SCHOOLS AND CLASSES	STU 5	4/79
	Revision Adopted:		
	7/01		

Pupils entering the Murfreesboro City Schools will be assigned to the school which serves their respective school zone unless they have been accepted for attendance at a "controlled choice" school. The boundaries of these zones may be adjusted from year to year. An exception made to the above is: Students living outside the city limits may be assigned to schools where there is available space.

Applications for waivers on school zone requirements must be submitted in writing to the Director of Schools. The Director of Schools may, in hardship cases, grant waivers on school zone requirements.
